Club Policy concerning playing players who have NOT paid their fees

The Club acknowledges that, if players who have NOT paid their fees are not allowed to play, players who HAVE paid fees may not be able to play.

If you have not paid your fees by the end of May the only time you will be allowed to play is when the team would otherwise NOT have enough players to play (note only 8 players are required to play a game in the BBF). These occasions will be reported to the committee. If we have less than six players available who have paid their fees we will not play and will forfeit the game.
