

Directions to Westmorland Park from M25 via M3

Our car-park is large enough to normally cope with summer baseball requirements but, if you do have to park on the road, please do so with care and consideration.

Leave the M25 at junction 12 following signs for M3 Basingstoke, not Sunbury. Leave the M3 after one junction at junction 3.

Continue along the A322 dual carriageway until the next round-about and turn right into Martins Heron. The "Coral Reef" pools complex will be on your left at that round-about.
